

BE THE LEADER NOBODY WANTS TO LEAVE

8 Transformational Skill-builders for Busy Leaders

Are you tired of turnover?

Turnover is costly – averaging \$44,000 each time a nurse must be replaced! Turnover also leads to burnout among the remaining staff, ineffective teams, lack of trust, low morale, and diminished engagement resulting in lower quality, safety, and service. Great leaders attract and retain the best talent!

Invest in yourself and your team.

Participants will have access to:

- Virtual, online, and interactive modules with 24-hour access
- Printable tools for practice & implementation
- Weekly group coaching sessions promote skill development
- Private coaching sessions to address individual challenges & concerns
- Networking - connect with other leaders

Course Topics:

- How to Hire for Fit
- Mastering the Stay Interview
- The Power of Visibility & Presence
